## Local Area Information

AD Astra Caravan & Country Park is situated on the beautiful Isle of Anglesey on the North Wales Coast. The park is on the outskirts of the village of Brynteg just two miles from the beach and bay at Benllech, famous for its golden sands and clear blue waters.

The fisherman is well catered for with excellent fishing for coarse, game and sea fishing. There are several coarse fishing waters, and three excellent trout fishing waters. The sea around the coast offers excellent sea fishing and also charter fishing from Cemaes bay, Beaumaris and Amlwch. For the holidaymaker wanting a more restful time there are pony trekking centres in both Anglesey and Snowdonia.

Both Anglesey and Snowdonia offer some of the finest walking that you could wish for, with a coastal path that covers the whole of the Anglesey coastline.

Anglesey and Snowdonia are rich in both natural history and culture. There are many nature reserves locally offering excellent birdwatching, wild flowers, etc whilst of the coastline you will see common seals, porpoises and on occasions dolphins. A visit to the local centre, Oriel Mon will explain the history of the island and its people.

You can also visit copper and slate mines, the majestic castles of Beaumaris, Caernarfon, Conwy and Harlech are all within close proximity.
