Local Area Information

We are situated in a large area of partially wooded countryside, nestled in a secluded location at the foot of Moel-y-Gest mountain. The privately owned park extends to some 53 acres in total, 18 acres of which are used as a touring and static caravan park. The parks' location benefits from the close proximity of the harbour town of Porthmadog, as well as the picturesque bayside village of Borth-y-Gest, both of which are within easy walking distance. The famous beach of Black Rock Sands, which is ideal for water sports and safe swimming, is just a few minutes drive away.
