Local Area Information

Silver Birch is situated in a rural setting with a wooded backdrop, yet is only a short drive or good walk to the beach and a short drive to local Towns of Prestatyn and Holywell.

Prestatyn...

Prestatyn is the gateway to the North Wales coastal area, and the most easterly of the beautiful North Wales coastal resorts. The Town Centre is nestled between magnificent sandy beaches and a spectacular hillside, where mountain air meets salty sea breezes. Uniquely sited with its "shield" of hills and mountains, Prestatyn boasts a distinctly favourable climate all of its own.

Prestatyn is famous for its sunny sands and coastline with rolling dunes, but is also considered as the northern gateway for walking in North Wales. It not only boasts the start (or end) of the Offas Dyke National Trail but also features the North Wales Path, Clwydian Way and recently launched Dee Way. The area is rich in history and the surrounding countryside offers walks in Areas of Outstanding Natural Beauty, nature reserves and a Site of Special Scientific Interest (SSSI) and the town has been awarded the "Walkers are Welcome" accreditation.

Prestatyn offers many recreational activities for all age groups, and is not only a very fine place to live, but also to visit. The town has the additional benefit of providing an ideal base from which to discover North Wales and the surrounding Borderlands.
