Local Area Information

Tan-Y-Don Caravan park is nestled between the magnificent sandy beaches of Prestatyn and the Spectacular backdrop of the Clwydian hillside. Life here is as relaxed and unhurried as you would like it to be. There is no timetable to follow, no schedule to keep, only you dictate the pace.

Rhyl and Prestatyn on the North Wales coast are two towns with fabulous sandy beaches, where traditional seaside holidays get a modern makeover.

With more sun than the national average the welcome here is as warm as the weather and both towns have many things to do on dry and not-so-dry days. Rhyl and Prestatyn are within two hours of the West Midlands, and half that from Merseyside.

While these two towns offer the best of the modern seaside family holiday, each one has its own distinct character. Rhyl is a vibrant hub of activity, with events and attractions that keep the family amused all day and well into the night too. Prestatyn is a relaxed and safe seaside haven with stunning views and a variety of activities that take advantage of all the natural and historical wonders nearby.
