Local Area Information

Llangollen is a truly amazing town, encapsulating the best North Wales has to offer in a small area. With more sun than Cornwall and less rain than the Lake District it is no wonder that this gateway to North Wales should be so popular with sightseers and walkers of all ages.

Llangollen has many natural wonders. There are mountains, white water rivers including the spectacular River Dee canals with horse-drawn boats, The Llangollen Steam Railway with steam trains that chug along the Dee Valley, the Horseshoe Pass, the Horseshoe Falls and all in easy reach of Chester and Wrexham. Famous structures, gardens and historic buildings abound, Plas Newydd, home to The Ladies of Llangollen, numerous National Trust properties surround the town and we have the highest and longest aqueduct on the canal system. The Pontcysyllte aqueduct was built by Thomas Telford 200 years ago, over a 1000 feet long and standing 126 feet above the river Dee which is now a world Heritage Site. You can cross it by narrow boats which depart from The Wharf in Llangollen for a 3-hour return trip and marvel at the engineering which took the canal beginning at the Horseshoe Falls close to The Chainbridge Hotel all the way to join the national canal system. You can also take a horse-drawn boat from The Wharf up to near its source. Both trips are a cheap and very enjoyable way of seeing the spectacular countryside.
