Local Area Information

Situated just a few minutes walk from the village of Talybont, off the main road in a quiet tree-lined meadow next to a small mountain stream, the Park is personally run and managed by the owners. They cater for families and couples and the Park is licensed for 35 units.

Whatever the weather, there's plenty to do in the area! Set amidst the unspoilt beauty of Snowdonia National Park, Rowen is the ideal base from which to explore the spectacular scenery for which this part of Wales is renowned. Walk along the beach, or, in the opposite direction follow the river Ysgethin into the hills to its source Lake Bodlyn and enjoy the stunning views over Cardigan Bay and the Lleyn Peninsula. Other activities that can be enjoyed within the area include cycling, golfing, canoeing, sailing, fishing, pony trekking etc, etc. Buses run regularly from the village to the historic town of Harlech with its medieval castle, and into the resort town of Barmouth at the mouth of the renowned Mawddach Estuary. The scenic Cambrian Coast Railway Line also has a station in the village, trains run to Porthmadog and Pwllheli, and, in the opposite direction Barmouth, Tywyn, Aberdovey, Machynlleth - eventually connecting with the inter-city service to Birmingham.

Rowen is not "commercialised", but it has all the modern conveniences needed to ensure that your stay is both comfortable and hassle free - including a well stocked shop catering for everyday needs such as bread, milk and daily newspapers. There is also a launderette and public telephone kiosk.

The beach, which is one of Wales' loveliest and cleanest, is reached via a path through farm fields and sand dunes and is approx. 800 metres away.
