Local Area Information

Barcdy is a small Holiday Home Park of only 30 pitches and is ideal for people who enjoy the relaxing atmosphere of a natural environment. We do not have a club or other entertainment to spoil the peace.

Barcdy lies within the Snowdonia National Park, an area where Welsh is still very much the first language. Its people are sincere and down to earth and will warmly welcome you to this very special corner of Cymru - Wales.

There is so much to see and do here that you will want to return again and again. Nearby Harlech Castle is just one of many historic monuments, which are but a short drive away.

The area is known world-wide for its narrow gauge steam railways including The Ffestiniog, The Welsh Highland and The Tallylyn - and there are many other sites of special interest offering the visitor an insight into this country's very special heritage, including the world famous Italianate Village of Portmeirion which lies across the estuary from Barcdy.

There is an enormous choice of outdoor activities which can be enjoyed in the locality; from golf to fishing, sailing, ponytrekking and, of course, walking. However you choose to work up an appetite, there are many good pubs and excellent restaurants in the area offering a wide variety of cuisine to suit all palates and purses! At Barcdy you are perfectly placed to enjoy the very best of Wales.
