Local Area Information

Sarnfaen Holiday Park offers a truly unique experience. Situated near Snowdonia National Park, the park boasts breath-taking views of the mountains, providing the perfect escape for you and your family.

Sarnfaen is situated a stones-throw away from Tal-y-Bont and Barmouth beach and during the summer months dolphins can be spotted regularly off the coast.

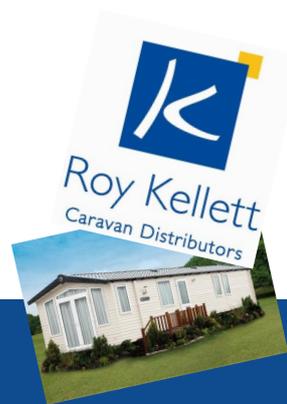

The village of Tal Y Bont has a post office and a shop, an Italian restaurant and Pizzeria as well as a Riverside pub and restaurant. Among the holiday sites on the small road to the beach are more shops, and two more pub/restaurants.

From Tal Y Bont it is easy to visit many of the attractions of the Barmouth area, which is conveniently served by trains and buses. Although the local area is a very popular holiday destination, it is usually laid back, leisurely paced, and an easy going family friendly atmosphere.

Tal Y Bont is also a good base for walking and you can walk along the beach, or following the River Ysgethin upstream from the village. The area also lends itself to cycling, sea fishing, freshwater fishing (the River Ysgethin holds small brown trout and the very occasional sea trout or salmon). Down towards the beach you will find an amusement arcade, bingo, fish and chips, and a shop.
