Park Description

Marianglas Caravan Park is a small, peaceful holiday park, perfect for families and couples who just want to get away from their busy everyday lives and relax amongst the wildlife and fresh air of Anglesey. Set in the rural countryside, in a secluded location between Moelfre and Benllech on the eastern coast within a natural setting of trees and shrubs. Marianglas is only short distance from the nearby village of Benllech, where you'll find all local amenities you could possibly need. The village is also home to an award winning beach, which looks across toward Llandudno.

History and culture is rich in this area of Wales. There are many steam railways to visit across the bridge on the mainland including the Snowdon Mountain Railway, the Welsh Highland Railway, and Ffestiniog Railway. There are also many historic castles, which can be found at Beaumaris, Caernarfon and Conwy.
