### Park Description

Barlows Caravan Park is located in the rural countryside of North Wales, less than a mile away from the Welsh town of Caerwys. The park is family run and set in a stunning wooded valley, taking you to a whole new world during your stay at the park.

Whilst you may feel worlds away whilst at the park, in reality you are only 10 minutes from the main A55 expressway, meaning this luxurious wooded haven is within easy reach. The park was established back in 1965 by George William Barlow and is still a family run business to this day. The park promotes a peaceful stay during your visits to the park, which is why they do not have a pub or club onsite, they would rather visitors to enjoy the tranquillity of the Welsh countryside.
