Bwlch Farm Caravan Park can be found in the small Welsh town of Deganwy, just off the coast of North Wales. Deganwy is a small beach town, located between the infamous seaside town of Llandudno and the historic medieval town of Conwy.

At Bwlch Farm, everything you may need is within minutes of the parks, with shops and restaurants just a short walk away, along with stunning views across the Conwy Estuary and towards Conwy. Deganwy is also home to its own beautiful beach, with stunning views towards Llandudno's Great Orme and over toward Conwy Mountain. From the beach you can take a relaxing walk all the way to Llandudno's West Shore, taking less than an hour to complete.
