Park Description

Craig y Mor Caravan Park can be found on the magnificent coastline of North Wales and benefits from its own private beach. Situated between the stunning views between Llandudno and Prestatyn, Craig y Mor is central to the best tourist attractions in the area.

A short drive from the park takes you to the Victorian seaside town of Llandudno. Here you can enjoy a typical British summer holiday, spending days on the beach, building sandcastles, walking down the Victorian pier, playing on the ever enticing amusements, before enjoying an ice cream on the promenade.
