**Park Description**

Millers Cottage Caravan Park can be found amidst the busy seaside resort of Towyn in North Wales, just meters from the sandy beach which lines the North Wales coastline. The park has a true family feel to it, with regular entertainment, facilities catered towards children, including an indoor swimming pool, adventure play area and bouncy castles in the Millers Club.

Towyn is the perfect location to explore the rest of Wales, as it is only minutes from the A55 expressway. This means the towns of Llandudno, Conwy, Caernarfon and Bala are within easy reach, as well as the beautiful scenery of Snowdonia National Park.
